

Pre-Visit Patient Statement

Synthetic Clinical Document - For Educational Use Only

Patient ID	P003	Document ID	P003-PREVISIT001
Date	2026-08-09	Type	pre_visit_patient_statement
Author	patient	Recipient	GP clinic

I had a follow-up appointment on 7 August for a post-exacerbation review, and I would like to discuss this with my GP. I use a salbutamol inhaler (100 micrograms per puff), taking 1-2 puffs as needed; I have been using it since October 2018. For complex discussions, I would prefer a Ukrainian interpreter.
